[www.coralsspringsunited.com](http://www.coralsspringsunited.com)

CSUFC is partnering with the Gold Soccer Academy to offer our players the opportunity to continue to play competitive soccer over the summer in the 2016 US Club Soccer South Florida Youth Soccer League (SFYSL). There are 12 different clubs, including FC Florida, Pinecrest Premier F.C., and West Pines United F.C., participating in this summer league throughout the South Florida area, thereby offering a wide range of opponents.

Our teams will train along side The Gold Soccer Academy teams at the American Heritage Plantation High School fields. The Gold Soccer Academy is run by Todd Goodman who has over a decade's worth of experience coaching at club and high school levels. During this time, his capacities, aside from coaching, have also included the role of Director as well as President of West Pines United FC and The Gold Soccer Academy. He has coached at the some of the highest levels of club soccer which includes two FYSA State Cup Final Four Appearances, one FYSA State Cup Championship, three USYSA Region III Premier League Seasons, one USYSA Southern Regional Appearance, and numerous National Showcase Tournaments throughout the country. Goodman also serves as an USL Super Y-League National ODP Staff Coach and as an US Club Soccer id2 Scout.

CSU would like to enter entire CSU teams into this league with CSU coaches coaching CSU teams. A 6 game season will be played within the South Florida area, generally on a week night to free up the summer weekends for families. Should it not be possible to enroll entire teams, The Soccer Academy will work with CSU to ensure that all those who want to play will have an opportunity to play summer soccer. Non-CSU players can make arrangements to participate with CSU by contacting the individual listed below to arrange a tryout session.
